Subject: San Jacinto Fact Sheet - NEEDED TODAY!!
Date: Tuesday, March 22, 2016 10:13:49 AM
Attachments: [SJRWP Fact Sheet 3-22-16.doc](#)

Hi all,

It's my understanding that Robin Richardson has a 4 pm meeting today with the mayor regarding the San Jacinto site. I found an old fact sheet from 2013. I put in a line about the upcoming NRRB review and highlighted a few areas that could use some work. I would greatly appreciate it if you could provide a high level summary of technical issues, status of Superfund work, etc. Please feel free to insert/remove information/sections as you see fit. A one-pager would be perfect. Obviously, this is a short turn around, so the sooner you can send a revised fact sheet, the better.

Thanks!!!

Christine
